1st September 2019

On behalf of the Governors, staff and children I wish to welcome you to Kempshott Junior School and our community.

At Kempshott Junior School we provide a caring ethos which puts children at the heart of everything that we do. We aim to provide a rich, safe and varied environment that supports learning and within which children can build upon the foundation acquired at infant level. We know that children learn best when they are motivated and inspired and we aim to provide a broad, balanced and challenging curriculum enriched with opportunities that meets individual needs and which is supported by technologies.

Our aim is for children to experience the joy of learning, to know themselves as learners which will enable them to develop personally, socially and academically. Children here are encouraged to gain personal fulfilment, confidence and independence through personal achievement.

We set high standards and expectations and as such, developing successful individuals is what makes us a successful school; we are proud of what our children achieve at Kempshott Junior School.

To achieve this we believe it is essential to develop close working partnerships between home and school and we encourage you to play a full and active part in school life. We know that children are happiest when home and school work together for their benefit and we provide many opportunities for you to become involved with school life and extra-curricular activities.

I hope you will feel warmly welcomed to the school – the school website will provide you with an insightful overview of Kempshott Junior School but if you would like more information, do not hesitate to contact me.

I look forward to hearing from you.

Yours sincerely,

F. Craig

Fiona Craig (Mrs)
Headteacher
