Head Teacher: Mrs F. Craig B.Ed

Dear Parent/Carer,

As a staff we would like to thank you for the support you have given your children over the last couple of weeks. We have been so pleased and proud to see the amount and quality of work that has been produced at home. We understand it cannot have been easy to establish new routines, and start educating your children at home. All of this while lots of you are also having to manage your own working from home.

We hope that you are going to be able to use the Easter break to get some much needed down time, and spend some quality time together as a family. However, we also understand the pressure that you must be under to keep the children entertained and occupied, so we have created 10 challenges that you can choose to take part in over the holidays. They are listed on our website under the 'Home Learning' tab or by clicking on this link <https://bit.ly/KJSEaster>. There is one for each day (Mon-Fri) and we would love it if you sent in any photos to help@kempshott-jun.hants.sch.uk so that we can display them on our website.

The school will be open over Easter providing essential childcare to vulnerable children and those of key workers, they will be having fun and trying out some of these challenges. During this period the office will not be manned as it is usually, so please ensure that any queries or questions are sent via email to help@kempshott-jun.hants.sch.uk and we will ensure they are received and answered by the appropriate member of staff.

Once again we would like to thank you for your continued support and understanding during these difficult times. As a staff team we are all missing the smiling faces of the children, and are looking forward to the day that we can open the school back up to all of the children and welcome them back.

Yours sincerely,

Mr Giles
Year 5 Teacher & ICT manager
